Sending Church: Cherry Street Baptist Springfield, MO 417-889-1999

July-August 2018

Our new-to-us van! - Our old van needed the engine rebuilt, so with that and other factors, we realized we needed a different ministry vehicle- It is a 13 passenger- perfect for ministry!
Thank you for your faithful giving which allowed us to save up to purchase this vehicle!!!

Our silly family at the Children's Day event at church. We had a few visitors, and are now doing outreach to their families!

Our **YOUTH GROUP** has been expanding recently because of birthdays- kids can begin attending the youth meetings when they turn 12. Our bi-weekly youth meetings have been increasing in number, and also in fellowship and camaraderie, which is very encouraging. Please pray for our youth. Many come from broken homes, come without their parents, or are simply struggling (as all youth do) to find their way in the world. Also pray for Nahuel and Florencia, our youth leaders, to have the right words guide them spiritually.

In July and August we celebrated two of our children's **BIRTHDAYS**- Lucas and Natalie's. They both enjoyed inviting friends from church and taekwondo to come for birthday sleepovers. It is neat to see the friendships they are developing, not only with other Christian young people, but also reaching out to their unsaved friends. Please pray for their spiritual growth and testimony, and for their friends salvations and growth also. There are many things fighting against our children's godliness, and more so here on the mission field.

August is the month that hosts **NATIONAL CHILDREN'S DAY** here in Argentina! It is a wonderful chance to reach out to our neighbors with the Good News of Jesus! Our church held a "family celebration" for friends and family this year. We invited whole families to come and celebrate the day with our church family. The theme for it was "Superheroes". Everything revolved around teaching that Jesus is more than just a superhero- He's our **SAVIOR**! Thank God for the many visitors who came and heard the Gospel message!

A youth game night- with 13 youth present!

Two different birthday celebrations for two awesome kids!

Some of the Children's Day visitors: Brian, and his daughter, Angela, and Lucas, Juliana and Nicole
