

Metzgers to Argentina

January-February 2024

PRAYER REQUESTS

- * Decisions made at youth camp to be lasting
- * New believers and members to grow, be connected, and disciplined
- * Be able to start construction on new church addition
- * Church projects around Argentina be funded

PRAISES

- * Camp season went well! Celebrated 50 year anniversary of camp
- * Church growth- new believers and new visitors

Thank you for your faithful prayers and support!

Camping

Another camp season is in the books. We had two young adults, eleven teens, and six kids from our church this year. Our family loves serving at camp, and now go for 2 of the 3 weeks every year. This year the camp celebrated its 50th anniversary! We praise God that we are able to be a part of this ministry that has a great impact on our youth. This year we were the teachers for the children's camp, and Rachele was in the kitchen both weeks, which was a change for her! She thoroughly enjoyed it and hopes to help cook more often. Please pray for the youth who made decisions for Christ this year.

Growing

We praise God that He has been not only bringing visitors, but many have come to stay! We are bursting at the seams, which is a good problem to have. We pray we can minister to each new family and person who has come along. We thank God that we have enough teachers and helpers, but personal disciplers are still needed so everyone is connected. Along with this, we hope to start building the new church building so that we can expand. Pray for the remaining funds to come in, & wisdom in this whole process of expansion. .

Investing

Several national church planters have built or started to build their church buildings and have been met with the need to expand due to growth, or just need a little more help finishing building projects. A non-profit organization- Trailhead International- has funded 50% of the needed cost. The churches themselves are buying materials, doing the work, and saving up even in this hectic Argentine economy. You can help be an enormous blessing to these brand new churches! Will you please pray and consider how you too can participate to help these church plants finish these building projects for the work of the Gospel here in Argentina? See the post on our website below to know how you can help.
